

31 October 2025

## **Balcomb Trophy & Walker Cup 2026**

The Balcomb Trophy and Walker Cup are our premier inter-county events and form an integral part of our wider performance programme and changes were introduced for the 2025 season.

Following consideration of feedback from players, team managers, performance team and host clubs we developed plans for a revised format and programme for 2026. This was shared with counties in August for input. We thank all those who did share their feedback, the majority of whom were in favour of the planned changes.

A report was presented to the Board and we are pleased to confirm the revised arrangements for 2026 as shown below:

### **DATES OF PLAY**

#### **Preliminary Round:**

- Sunday 17 May 2026 11:30am (or other time by mutual agreement)

#### **Regional Qualifiers:**

- Balcomb Trophy – Saturday 30 May 2026
- Walker Cup - Sunday 31 May 2026

#### **Format of Play**

- Teams to consist of 9 players in any single session (no limit on number of reserves)
- Format to be Pairs (3-bowl; 18 ends), Triples (2-bowl; 18 ends) and Fours (2-bowl; 15 ends)

#### **Preliminary Round**

- Introduce a knock-out preliminary round for 'groups of 5' in order that Regional Qualifier can be completed in one day
  - Five-year rota
  - Each team only plays twice in a preliminary in five-year period
  - Performance Team to attend prelims so all players viewed each season
  - The rotation for both events has been developed so that no County will have a preliminary round in both events in the same year
  - Winner to be determined by 'Match Aggregate' score

## **Regional Qualifiers**

- Regional qualifiers to be held on single day – reduces time commitment, travel and accommodation costs for all participating counties
- Balcomb & Walker regional qualifiers to be played on different days to better accommodate those with family commitments
- Regional qualifiers will see 4 teams each playing 3 matches at 9.30am, 1pm & 4pm – six rinks fully utilised during each session
- Simplified scoring system at regional events (Total points per match = 8)
  - Each Discipline – 2 pts for win; 1 pt for draw
  - Match aggregate – 2 pts for win; 1 pt for draw
- The county that tops the group at the conclusion of the group stages on will qualify for the National Bowls Finals
  - This will be determined by (in order):
    - Overall points
    - Overall shots difference
    - Overall shots scored
    - Matches at National Finals to be determine by 'Match Aggregate' score

## **VENUES**

### **Preliminary Round**

- Preliminary Round matches shall be played either in an adjoining county or on an affiliated green located approximately midway between the two county centres involved in the tie.
- The two counties participating in the preliminary round can mutually agree to play on any affiliated green within one of their counties.
- Participating counties to arrange umpire for preliminary round and share all costs

### **Regional Qualifiers**

- Host County to select and arrange venue taking into consideration their fellow counties regarding location, club facilities, car parking and distance from furthest county attending
- Host County to run the event including competition management at the venue on the day – Bowls England to provide training and on-call support
- Bowls England to provide all event support ie marketing, branding and competition management material in advance and on call support on the day of the event

### **NOTE:**

In arranging the rotation for 2026 onwards, based on feedback we have sought to avoid counties that hosted the Balcomb Trophy or Walker Cup in 2025 from being the host in 2026.
