Format of Play

Players will participate in the following disciplines:

- Pairs – 12 ends three bowls per player
- Triples – 12 ends two bowls per player

Counties may change players/disciplines prior to the start of each individual match

Each session will have a time limit of 1 hour 15 minutes (including trial ends). All ends must be played in all disciplines unless a discipline is 'timed out'.

In the event of a 'dead end' the jack will be re-spotted on the T (or as near as possible to the T in line with the current Laws of the Sport)

Before the start of each match, the nominated managers shall toss a coin for the choice of jack (first end), the winner having the choice of keeping or giving the jack away.

Scoring – Regional Finals

- Per discipline – 2 pts for a win; 1 pt for a draw
- Match aggregate – 2 pts for a win; 1 pts for a draw

The county/team that tops the group at the conclusion of the group stages will qualify for the National Bowls Finals. This will be determined by (in order):

- Overall points
- Overall shots difference
- Overall shots scored

Should there still be a 'tie' between two counties once these factors are taken into account, the result (shots aggregate) in the match between the two counties concerned will determine the group winner. Should shots be level at conclusion of the match, the winning team will be determined by the winner of the Triples fixture between those two counties. Should this still not produce a winner, the Triples players will play a one-end tie-break to determine the winner.
