## 3. Administration

- 3.1 All National Competitions shall be played on a knock-out basis, controlled and administered by Bowls England under the current Laws of the Sport of Bowls and in accordance with the Regulations currently laid down by Bowls England.
- 3.2 Fixed dates may be set for any National Competitions by County Associations subject to the following:
  - Both players/teams/sides participating in the round are affiliated to the same County Association
  - The dates for each round set by the County Association shall fall within the round closing dates for that particular round set by Bowls England
  - The set date meets the requirement of the playing times/days specified in 5.1 below

## 4. Playing Arrangements

- 4.1 All National Competition qualifiers shall be played either on weekday evenings no earlier than 6pm or at weekends no earlier than 9.30am. For weekday games an earlier start may be arranged by mutual agreement between competitors, but in the absence of mutual agreement the start time of no earlier than 6pm nor later than 6.30pm on any day shall be adhered to.
- 4.2 It is a condition that National Competitions are played outdoors and that the green has been approved by the relevant County Association.
- 4.3 There is nothing in the Laws of the Sport or in the rules of the National Competitions, as at present constituted, which stipulates that matches may not be played on a surface other than grass.
- 4.4 Suitable flood lighting may be used during matches.
- 4.5 In all qualification rounds, the Challenger shall be responsible for the match arrangements.
- 4.6 The Challenger shall be responsible for the payment of rink fees (where applicable), except when matches take place at a neutral venue when all costs shall be shared by both participants/teams.
- 4.7 Matches can be played on any affiliated green chosen by the challenger within the area of the particular competition. Where the mileage exceeds 160 miles round trip (measured club to club for National Competitions) matches shall be played on a neutral green approximately midway between the two named clubs shown on the draw unless mutually agreed. The use of the same neutral green in future rounds is permissible.
- 4.8. All area finals and final stages rounds prior to the regional finals/national finals shall be played on a neutral green arranged by the challenger midway between the two affiliated clubs (unless mutually agreed).

A minimum of 48 hours' notice is required for any dates offered to be eligible. - 5.2 The Opposing participant/teams shall, within 24 hours of receipt of the challenge, reply and accept one of the dates offered. For a first match see rule 5.3.
- 5.3 The challenger must have offered dates no later than 21 days in advance of the closing date of their first match, a bye does not constitute a match. The opponent must accept a date no later than 19 days before the closing date of that round. When either a challenger or opponent is competing in an earlier round and the awaiting opposition has a bye to the next round then rule 5.1 will apply.
- 5.4 If a challenge has not been made in accordance with 5.1 the opposing team will become the challenger and make all match arrangements (including the offering of dates and choice of venue). They must contact their opponent within 48 hours after becoming the challenger.
